Gary,

I am waiting for the property to be cleaned up so that it can be marketed and sold. Earlier this year, I met with one developer who is buying up properties in the area. I told him to make me an offer for the property and I would consider it and discuss it with you all and TCEQ. I have not received an offer to date. That developer claims to be aware of the clean up and the status of same so my guess is that he is waiting also.

I have mowed and cleaned up debris once this year as well.

Otherwise, there is not much happening.

Allison:

I was wondering if you could give me an update on the CES Site as it relates to the Trustee Activities. I receive the monthly reports from the PRP Group (Lubrizol) but do not really have a full picture of the coordination that is going on to address the site on total.

thanks
